

Let's Connect

Becoming a mother is lovely but sometimes lonely

ISPCC are delighted to bring you this lunch time webinar 'Let's Connect - Becoming a Mother is lovely but sometimes lonely. An overview of the research that informed 2024's Maternal Mental Health Weeks campaign' with Niamh Crudden, Co-Chair of the Perinatal Infant and Early Childhood Mental Health Working Group (DSKWW) and Resource Officer for Suicide Prevention Kildare in collaboration with Dublin City South (DCS) CYPSC.

This webinar is part of the 'Lets Connect- Supporting connections with infants in the first 1000 days event and was planned by the Infant Health and Wellbeing Working Group of DCS CYPSC.

This webinar is for professionals working with families.

Key take aways:

- Learn about mothers experiences in the perinatal period
- Learn about resources to support mothers and families in the perinatal period
